

WESTERN NEW YORK REGION EARLY FORD V-8 CLUB OF AMERICA

JOIN THE FAMILY FUN WITH FORDS!

Our club is dedicated to the preservation, restoration and enjoyment of 1932 through 1953 Ford products. Ownership of an early V-8 is not a prerequisite to join our club, but a willingness to enjoy yourself is!

All regional members are required to be members of the National Early Ford V-8 club. Please ask our secretary for a National Membership form if you need one.

Our many activities include technical meetings, tours to local landmarks and national meets, picnics, garage tours, our annual kick-off banquet, etc.

Our monthly newsletter, "The Greyhound Express", includes a regular ad column free to members, a calendar of upcoming car events, reports on club activities, restoration and technical tips, hobby news, national and local club business, news on members and their cars, and many other features. The newsletter is exchanged with several other regional groups nationwide.
